NOTICE

In the past, candidates could apply online through the Commission's website and take a live photo via the *mySSC* mobile app. Starting from June 2025, the entire application process can now be completed seamlessly within the app itself.

2.   *mySSC* mobile app of the Commission has been significantly upgraded which is aimed at enhancing the user experience and expanding the range of services available. The update would include integration of the Aadhaar authentication services, in line with the Aadhaar policy uploaded on the Commission's website on 23.05.2025.

3.   Candidates will be able to apply for SSC examination using specific android mobile phones through the *mySSC* mobile app which can be downloaded from Google Play Store. This will be applicable for all the exams being conducted June 2025 onwards.

4.   In order to apply through the *mySSC* mobile app, candidates must first register using their Aadhaar number on the OTR (One Time Registration) page. The Mobile app works only on Android phones with version 11 or higher. Before applying for the examinations candidates must also install the Aadhaar Face RD app on their phone to complete face authentication form the link given below:
